2.5	<p>H) Reading Comprehension: Read the following passage and then answer the questions.</p> <p>Scott works at the supermarket. His schedule <u>rotates</u> every week, so one week he goes into work in the morning and opens up the store, and the next week he'll go there in the afternoon and close up the store at night. He doesn't particularly like his work. He finds it boring most of the time, doing the same thing every day. He likes his boss, but he's not really friend with any of his co-workers. He likes helping customers, and he knows some of them personally, but some customers treat him badly, which upsets him. During his coffee and lunch breaks, he usually puts on his headphones and listens to English lessons. He's convinced that if he learns to speak English well, he can get a better job working in the office of his best friend's dad, which does a lot of business in North America. Since Scott lives in a beach town with lots of tourists, he tries to practice English at work with all of the foreign customers who go into the store. He knows he has a lot to learn, but his pronunciation is improving and the customers appreciate having someone who can answer their questions. Usually they ask him what the different words on the package labels mean, but sometimes they talk to him about the town and about the weather. Of course, Scott's boss wants Scott to keep working at the supermarket because he's the only person who can speak English.</p> <p>Choose the best option.</p> <p>54.
